

Dear Parents/Guardians,

Although it is cold outside, we are anticipating YFC Camp for summer 2019. YFC Camp is an incredible experience and we want to make sure all Campus Life and City Life kids get an opportunity to join us. Middle School camp will be at Camp Michindoh in Hillsdale, MI on June 29-July 3, 2019.

We realize that camp costs are continuing to increase, (2019 Middle School cost is \$450) making it difficult to put such a large expense in the family budget for many of you. So this year, we would like you to consider applying for some financial assistance.

We are busy raising additional funds so that we can offset the camp cost as much as possible. We are hoping to provide a sliding scale of assistance to a family with a household income of up to \$70,000 (depending on dependents).

The process is simple:

1. Fill out the form at <https://form.jotform.com/83155101557149>.
2. OR complete the form below and return in to your student's Ministry Site Director as soon as possible.
3. We will then communicate to you the cost of camp for your student.

Included in our calculations there may potentially be an amount that we expect the student to invest along with the family. (There will be no work projects this year provided by Campus Life or City Life.)

We look forward to making a way for your child to experience the best week of their lives.

Ali King, Executive Director
Central Indiana Youth for Christ

CAMP COST WORKSHEET 2019

Parent Name: _____

Phone #: _____

Address: _____

City: _____ Zip: _____

Email: _____
