

High School Summer Retreat

SEE THE STORY

Southport Campus Life is having its first EVER summer retreat! I know you have a bunch of questions. I will try and answer as many of them as I can.

So, what are we doing?

On this retreat we will go to a lake house in Greensburg, Indiana to have your typical lake fun. Swimming, fishing, tubing, water skiing, slides, diving boards, and more! We will also make an excursion to Cincinnati to experience an Escape Room and Glowgolf. With a little country and a little city, there will be something for everyone on this trip.

What about sleeping?

We will be sleeping in tents (or a hammock if you bring your own) so if you have a sleeping pad or cot, it wouldn't be a bad idea to bring it.

How will we get there?

We will all meet at the McDonalds on U.S. 31 (5416 S East St, Indianapolis, IN 46227) at 5:30pm on the 21st. We will eat dinner there, then leave for the camp ground.

When will we get back?

Expect to get back late on the 23rd. Saturday is LAKE DAY and you won't want to miss a single second of daylight.

What are we eating?

Great question! Thursday dinner and Friday Lunch are on you, so bring some moolah to guy fast food. All other meals will be provided and cooked by yours truly (Brandon). Trust me, you will NOT be hungry at any point on this trip.

Why should I go?

First off, it will be super fun! But more importantly you are going to hear the life stories of some pretty awesome people! Stories of God working in some amazing ways, stories of heartbreak, and stories of changed lives. So come for the fun, and come to SEE THE STORY!

High School Summer Retreat
